This is a pretty interesting place
How did they go about making this building?
INVITED
WASN'T IT DECIDED THAT QAL-TAQA WOULD BE THE ONLY EXCHANGE STUD-ENT?
WELL YOU SEE, HE SAID THAT HE WOULD ALSO LIKE TO COME TO JAPAN
SO I DE-CIDED TO BRING HIM AS WELL.
Faint...
Just hold on-
CHAIRMAN!
TO THE UNIVER-SITY
AND JAPAN TOO.

NO NEED TO WORRY
HE HAS BEEN SHOWN GREAT HOSPITALITY...
.....
BY ONE WHO RESPECTS AND ADORES THE LUTAH TRIBE
OOTA-KUN
H...HE'S DEFINITELY BEING FORCED...
University President Oota
...Oy, Aqnam
What do you mean by this?
You better not cause trouble for everyone
C'mon, gimme a break
Didn't I say I came here to help you?
That's why I asked, what do you. .
By the way, Qaitaqa
You don't have any "lectures" after this, right?
...Yeah

But I'll be studying until Ryouichirou finishes work
Aren't you free to do as you like here?
At this rate you won't have any time to look for a wife
Aqnam... I still haven't
YOU!
WHO IS THAT?
So cool!
WHAT ARE THEY TALKING ABOUT?
Oi, oi, I heard from Kiryuuin
that you've been doing nothing but studying
It's Ryouichirou
Say the name of the man taking care of me properly
He's taking care of you, right?
It's got nothing to do with me
What'd you say...

I PROMISED THEM EARLIER
HEY!?

EXACTLY! I'VE BEEN STUDYING JAPANESE CULTURE FOR A WHILE
I'VE LEARNED A LOT FROM KIRYUUIN
SO IT WON'T BE A PROBLEM
IT WOULD BE GOOD FOR HIM TO INTERACT WITH PEOPLE HIS AGE
QALTAQA HAS GROWN CONSIDERABLY FAMILIAR WITH JAPAN
CHAIRMAN...
THERE'S NO NEED TO WORRY SO MUCH.
Hey, hey, Qaltaqa, where do you want to go?
Have you ridden the train yet?

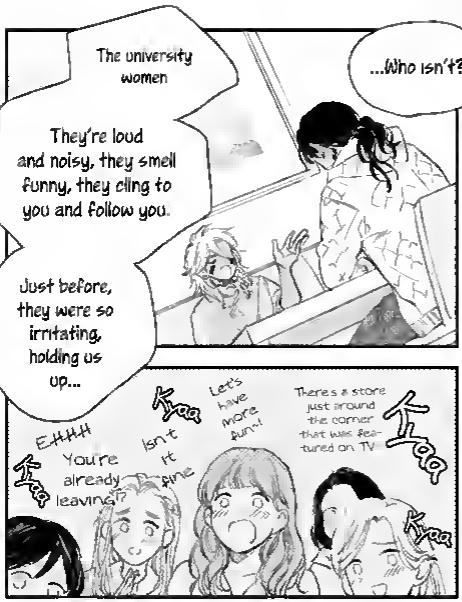
IT'S NONE OF MY BUSINESS
RYOUICHIROU?

In the near future

He'll be marrying for the sake of the village.



The university women
They're loud and noisy, they smell funny, they cling to you and follow you.
Just before, they were so irritating, holding us up...
...Who isn't?
Eh!!!!
You're already leaving?
Kyaa
Isn't it fine
Let's have more fun!
There's a store just around the corner that was featured on TV
Kyaa
Kyaa
Kyaa

As I thought, she ought to be wise and composed.
Tomorrow, I'll invite some other girls.
...Aqnam
They don't suit you.

I intend to take one someday
For that future a wife is also necessary
Am I wrong?
bite
I came to Japan in order to learn
The language, culture, lifestyle...
It's because I thought it was necessary for the sake of the village's future that we learn about the outside world's knowledge
I'll pick her for you
The one who is most suitable for you
That will be the most beneficial for the village.
I get it
You've always been the type to focus on one thing at a time
but for now...
Why do you think I came along?

I've never eaten anything so sweet!
You should eat more! Japanese food really is delicious!
Sigh
No, I...
You really are...

..You're right
Maybe I'll buy something to bring back to Ryouichirou
Ryou?
I want to make him happy
For some reason he hasn't been well since yesterday
It's not like you have to.
Doesn't he get to eat stuff like thisall the time?

.. You seem pretty interested in him.
He's a good man.
He's kind and gentle
He makes me calm
For some strange reason
When I'm at his side
The village's earth,
the falling waves,
the smell of the wind
I always recall those things.

You'll understand one day.
I like him
Just meeting him has made me think coming all the way to Japan was worth it.
Which one looks the most delicious?
What do I say for take-out.
.....
Hmmm....
